TRUTH WORDS

The sublime majesty of Truth's presence in the sacred sermons of so many wise men, men of good will, ultimately guides us to the ways of peace and wisdom, the lovely, the holy.

And so our troubled hearts are reassured and we can read and reread about God's word in many scriptures.

FAITH

**However
incomprehensible, a
faith settles into our
hearts that awakens
the desire to
understand infinity
and forever.**

DEDICATION

**The dedication is eternal
and to the Eternal.**

ASPIRATION

**For the Word becomes
flesh--and this is an
eternal utterance,
an act that includes the
heart of man mounted
on a towering
aspiration.**

GRACE

**Yet even this
pyramiding love is
without effect
unless winged with
His Grace.**

REQUEST FOR ILLUMINATION

**So we shall let fly our supplications,
enfolded in holy silence
on wings of veneration, to the
throne of your most Sovereign Good
with the request to guide the spirit
of our understanding,**

WORD
MADE
MANIFEST

wherein we stand within His Light, in order to see the pouring out of the Sacred Word made manifest.
